Everyone Needs a Revival

One of the most oft-repeated words (or variants of it) in the Old Testament is “remember.” This is not only true in the portion of Scripture known as the “Law” (the first five books of the Bible), but is also a common word in the prophetic books of the Bible (e.g., Amos, Micah, and Malachi). Why are people called so often to “remember,” except that there is something about human nature that allows us to easily forget?

During this time of the year, when there are so many activities to keep us busy, we need to remember to REMEMBER that our most important goal is to live our lives in a manner worthy of our calling as followers of Jesus Christ (Ephesians 4:1-16).

The revival we are having, with the Rev. Dr. Tim Reaves, is a great place to remember what God has done in your life, and to get a fresh start on doing what God has called you to do in the coming year.

Blessings and Peace,
Pastor Craig
